**TPWD SMALL COMMUNITY RECREATION GRANT**

The City of Cuero in cooperation with the Chisholm Trail Heritage Museum is preparing a Small Community Recreation Grant to be submitted to the Texas Parks and Wildlife Department.

We received excellent feedback from the attendees at the previous community meetings and the comments will be utilized in the design of and park grant application. Feedback from residents is very welcome and valuable to the designers of the application. They can respond to community needs and will incorporate local suggestions into the project design.
